

# PURDUE IRONHACKS

## 1 WHAT IS PURDUE IRONHACKS?

A 21-day, 4 stage hack that uses open data to tackle challenges in the areas of health, housing, travel, energy and food.

## 3 HOW WILL MY SUBMISSION BE EVALUATED?

The application will be evaluated by experts based on 4 main criteria:

1. Technology
2. User Requirements
3. Usability
4. Novelty

## 5 HOW CAN I PARTICIPATE?

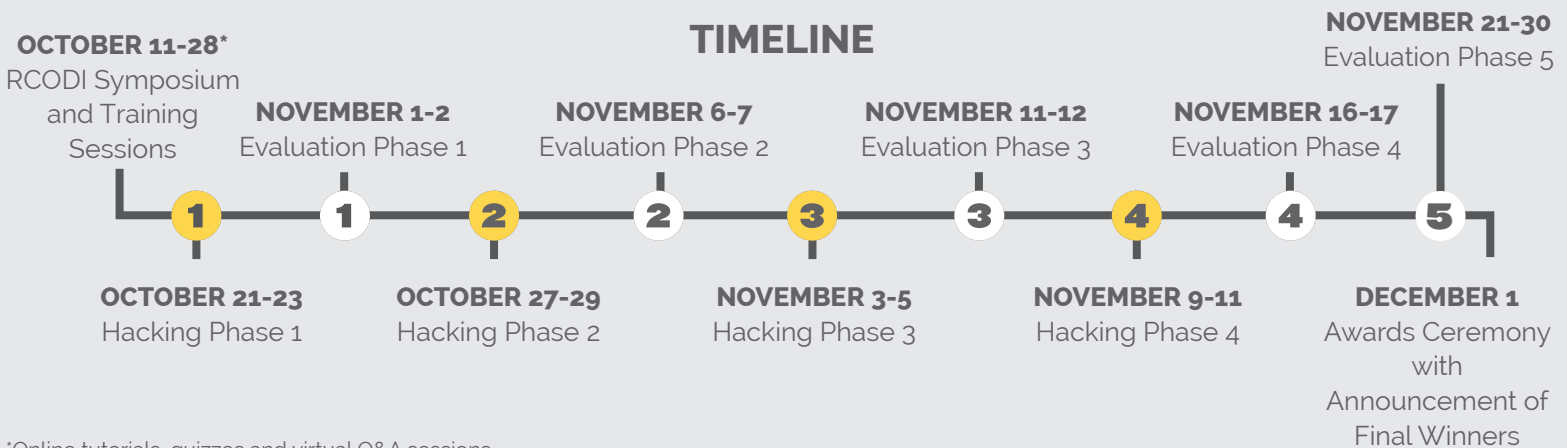

» Enroll in **Open Data Hacking** (Tech499, Banner number 20680). Don't miss out on the opportunity to participate in the coolest hacking program ever! This 8 week class begins Oct. 18, and runs on Tuesdays and Thursdays from 1:30-3:30 p.m. in GRIS 102.

## 2 WHAT DO I CREATE?

- » Create a web application using open data
- » Mashup at least 2 open data sets from data.gov
- » Make the data useful and interactive

## 4 WHAT IS IN IT FOR ME?

- » Amazon gift cards up to \$500
- » Chance to meet senior leaders and intern with IronHacks sponsors Socrata, Red Hat, the US government, and others
- » Opportunity to collaborate on special projects at National University of Colombia » [unal.edu.co/en.html](http://unal.edu.co/en.html)
